"The Ohio Informer," Theeditor of the Obio State Journal, who, losing ble temper at the terrible explosion which has bafaller, the Republican party, and disclosing the true blackguard and dirty dog that he is, calls Mr Vallandigham by this title. In his rage the fellow land, is set down for Nov. 24. forgets even the menning of the English, if he ever knew. This paper is the known and accredited mouth-piece of Salmon P. Chase. Nothing The Gineinnati Type Foundry Company is our duly authorised Agent to make contracts and receipt for Auvertisements subscriptions, &c., is that city.

To Businnas Max.—The Empire Job Rooms ble Cook (wonder if he is not a relative of the Harstein complete view and wonder if he is not a relative of the Harstein complete view and wonder if he is not a relative of the Harstein complete view and wonder if he is not a relative of the Harstein complete view and wonder if he is not a relative of the Harstein complete view and wonder if he is not a relative of the Harstein complete view and wonder if he is not a relative of the Harstein complete view and wonder if he is not the contract when the contract was a relative of the Harstein complete view and wonder if he is not the contract when the contract was a contract when th per's Ferry "Cook") nor the renegade democratic constituted into a territory. The people in the blackguard Cable, who scribbles now and then for it, but Goy. Chase whom we hold responsible for the wrathful vulgarisms and treasonable sentiments of that sheet. As long as all was running Governor Jones, who h smooth, the Gevernor and his jackals could be eity for some time past. mild and facutions, even. But now that the devolopments begun by Mr. Vallandigham, at Harper's Ferry, and growing stronger avery day, are beginning to implicate good Ohio Republicans on a visit to Lancaster, Pa., his native place. all Democrats, but especially of this "Ohio Informer." Oh my dear, how severe! "Save us,

the proof is thickening, and implicating men in higher position. "Let the heather rage."

LP The fishermen have a very curious way of catching fish in the Rhone. They wade into the water at night, with a knife and a water tight lamp. They place the lamp under water, and the trout will soon follow it. As the fish come up to the surface of the water the fisher man kills them with his knife. This is no fish story, but a vertuable fact.—Puris Cer. N. Y.

Times.

fishing; and it treats of another thing which we place ready for the occasion, fishing; and it treats of another thing which we cannot "see into." It was ascertained, on the first trial—many years ago—that a light will not burn where the air is entirely excluded that vicinity, at the advanced age of 95 years.

Thomas H. Clark, of Tuncaloosa, Alabama, dispatched to this office; and amid eulogies on the character and virtues of the legator, in which the that vicinity, at the advanced age of 95 years. land." If the weather continues moderate the main carriage avenue around the Cemstery will be completed this winter. We are pleased to be completed this winter. We are pleased to plan by which air could be conducted to a lamp under water; and it is to be regretted that the correspondent did not speak more fully about Woodland Cemetery is destined to be one of it. If the credibility of the story is to rest on the most beautiful in the world. It certainly the scientific blunder about the light burning in visited, and time is only wanted to put it in a lamp, we infer it has a poor basis. We fear the will have together in the future. writer of that fish story has forgotten his first The Boxo .- The I. O. S.
